

PRE-PHD CONFERENCE PROGRAM 16 – 18 AUGUST 2019

IMPORTANT INFORMATION FOR PRE CONFERENCE PARTICIPANTS

Timeframe

Each participant is allowed to present for 20 minutes. Afterwards, other participants as well as the supervisory board will be granted with 20 minutes to discuss the presentation, ask questions or give remarks. The presenting participant is during this time allowed to respond in order to develop a constructive and interesting dialogue with all participants present. In order to provide all participants with an equal amount of time, we kindly request not to exceed the 20 minute presentation limit.

Please do not forget to include the following elements in your presentation

- Name of your supervisor
- Introduction including phase of your doctoral research
- Research question
- Methodology
- Findings (if applicable)
- Concluding remarks (if applicable)
- Questions for the audience and supervisory panel

Accommodation

Each room is provided with a computer and a beamer. Participants who prefer to use their own laptop are allowed to do so. All computers available are Windows computers. As a result, participants who prefer to make use of their own Apple computer are asked to bring the necessary adapters so they can connect to the beamer.
